

# ISH 330

## Label Sheeter

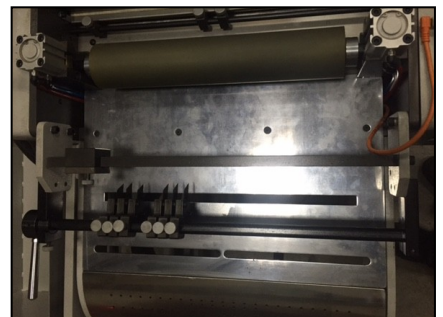

### Features

- ▶ electronic control
- ▶ TOUCH-SCREEN setting for parameter and operate
- ▶ processes transparent materials
- ▶ processes printed and blank materials
- ▶ optical sensor register control
- ▶ preset counter
- ▶ sheet conveyor belt with signal for larger gap to separate counted amounts and adjustable running speed
- ▶ Integrated unwind with roll end sensor
- ▶ Adjustable loop guide box for narrow webs
- ▶ pneumatic pressure wheel
- ▶ vacuum web tension (vacuum pump integrated)
- ▶ mobile on wheels
- ▶ stand alone or in-line with printing or converting machine

### Option

- ▶ crush knife slitting unit
